

Weld County Bright Futures Grant Applicant Release of Information

I authorize the Weld County Bright Futures Grant Program to share my grant award eligibility and award amount with Bright Futures-eligible schools.

I authorize the schools in which I enroll to share my financial aid and academic progress information, and my campus email address with the Weld County Bright Futures Grant Program, for the purposes of calculating and awarding my annual Bright Futures grant and evaluating my academic progress for continued eligibility for the Weld County Bright Futures Grant Program.

I authorize the Weld County Bright Futures Grant Program to share data from my grant record with institutions with whom the grant has confidentiality agreements for research and evaluation purposes. (Individual grant recipient names are not shared.)

A signed copy of this form must be on file at the Weld County Bright Futures Grant Program office before students can access their personal Bright Futures portal. The form is also required before grant funds can be paid to your school.
