

# Elizabeth Barber

**ELIZABETH BARBER** is the Executive Director of the Greeley Dream Team, a non-profit organization that collaborates with Greeley-Evans School District 6 to serve over 1,100 students through programs funded by Federal, State and local grants. Barber has been the Executive Director for six years and has worked in the non-profit arena of helping families and their children for the past 20 years. During that time, she has been a strong advocate for youth pursuing a post-secondary education, because as a first-generation college graduate in her family, Barber understands first-hand the benefits a post-secondary education can provide.
